

## The Holy Spirit's Storehouse of Joy (Part 2)

(Storehouse # 4: Confident Joy in our Great Salvation)

**Text:** Philippians 1:6

**Proposition:** Our joy can be full because we have confidence that God's good work of salvation is totally His work from beginning to end.

1. Confident joy comes from knowing the \_\_\_\_\_ of this good work - God alone: "**He who began...**"
2. Confident joy comes from knowing the \_\_\_\_\_ of this good work: Our own work is insufficient to make us fit for heaven: "**a good work.**"
3. Confident joy comes from knowing the \_\_\_\_\_ of this good work: Transformation "**in you.**"
4. Confident joy comes from knowing the \_\_\_\_\_ ongoing process of this good work: "will perfect it **until.**"
5. Confident Joy comes from knowing the \_\_\_\_\_ of this good work: "**He will perfect it.**"
6. Confident joy comes from knowing the \_\_\_\_\_ of this good work: on "**the day of Christ Jesus.**"
