

# Understanding Unity

**Text:** 1 Cor. 1:10-17

**Main Idea:** True Christian unity proves and professes the Lordship of Jesus Christ.

## A Plea for Unity

- Paul's appeal comes with the \_\_\_\_\_ of Christ.
- Paul's appeal comes as a \_\_\_\_\_ of Christ's heart.

## A Problem of Disunity

- When we find our \_\_\_\_\_ in anything other than Christ there will be disunity.

## A Path to Unity

### 1) Maturity

- Unity is not \_\_\_\_\_. (1 Cor. 12:4-11)
- Unity is not simply \_\_\_\_\_.

### 2) Humility

- We must \_\_\_\_\_ in Christ. (1 Cor. 1:27-31)

## The Person of Unity

- Corinth's, Ebenezer's, and our only \_\_\_\_\_ is in Christ.
- Christ's life, death, and resurrection have \_\_\_\_\_ us to the Father, that we might be reconciled to one another.

## Our Response

- 1) Where have you been indifferent to Jesus' prayer for unity?
- 2) How are you potentially contributing to a spirit of disunity?
- 3) How do you need to grow in maturity and humility as you pursue unity?
- 4) Where are you finding your identity other than in Christ and how is that disrupting unity?
