- **God may use a period of testing to open our eyes.**

- **God may use time in the dungeon for thinking to arouse our guilt.**

- **God may use the harshest discipline to break the hardest hearts.**

2. Nature of Grace:

God's discipline is always accompanied with patience & kindness to lead us to repentance.

- **God never treats us as harshly as we deserve.**

- **God always has a tender
compassionate
heart toward us.**

- **God sometimes blesses us even when we know we deserve punishment.**
