1. We must learn to be responsible!

- **Irresponsible leadership hides the honest truth.**

- **Irresponsible leadership always puts self interests first.**

- **Irresponsible leadership always blames others.**

- 
- **Irresponsible leadership thinks that money can solve every problem.**

- **Irresponsible leadership trust God only as a last resort.**

2. We must learn to be trusting.

3. We must learn to be united.

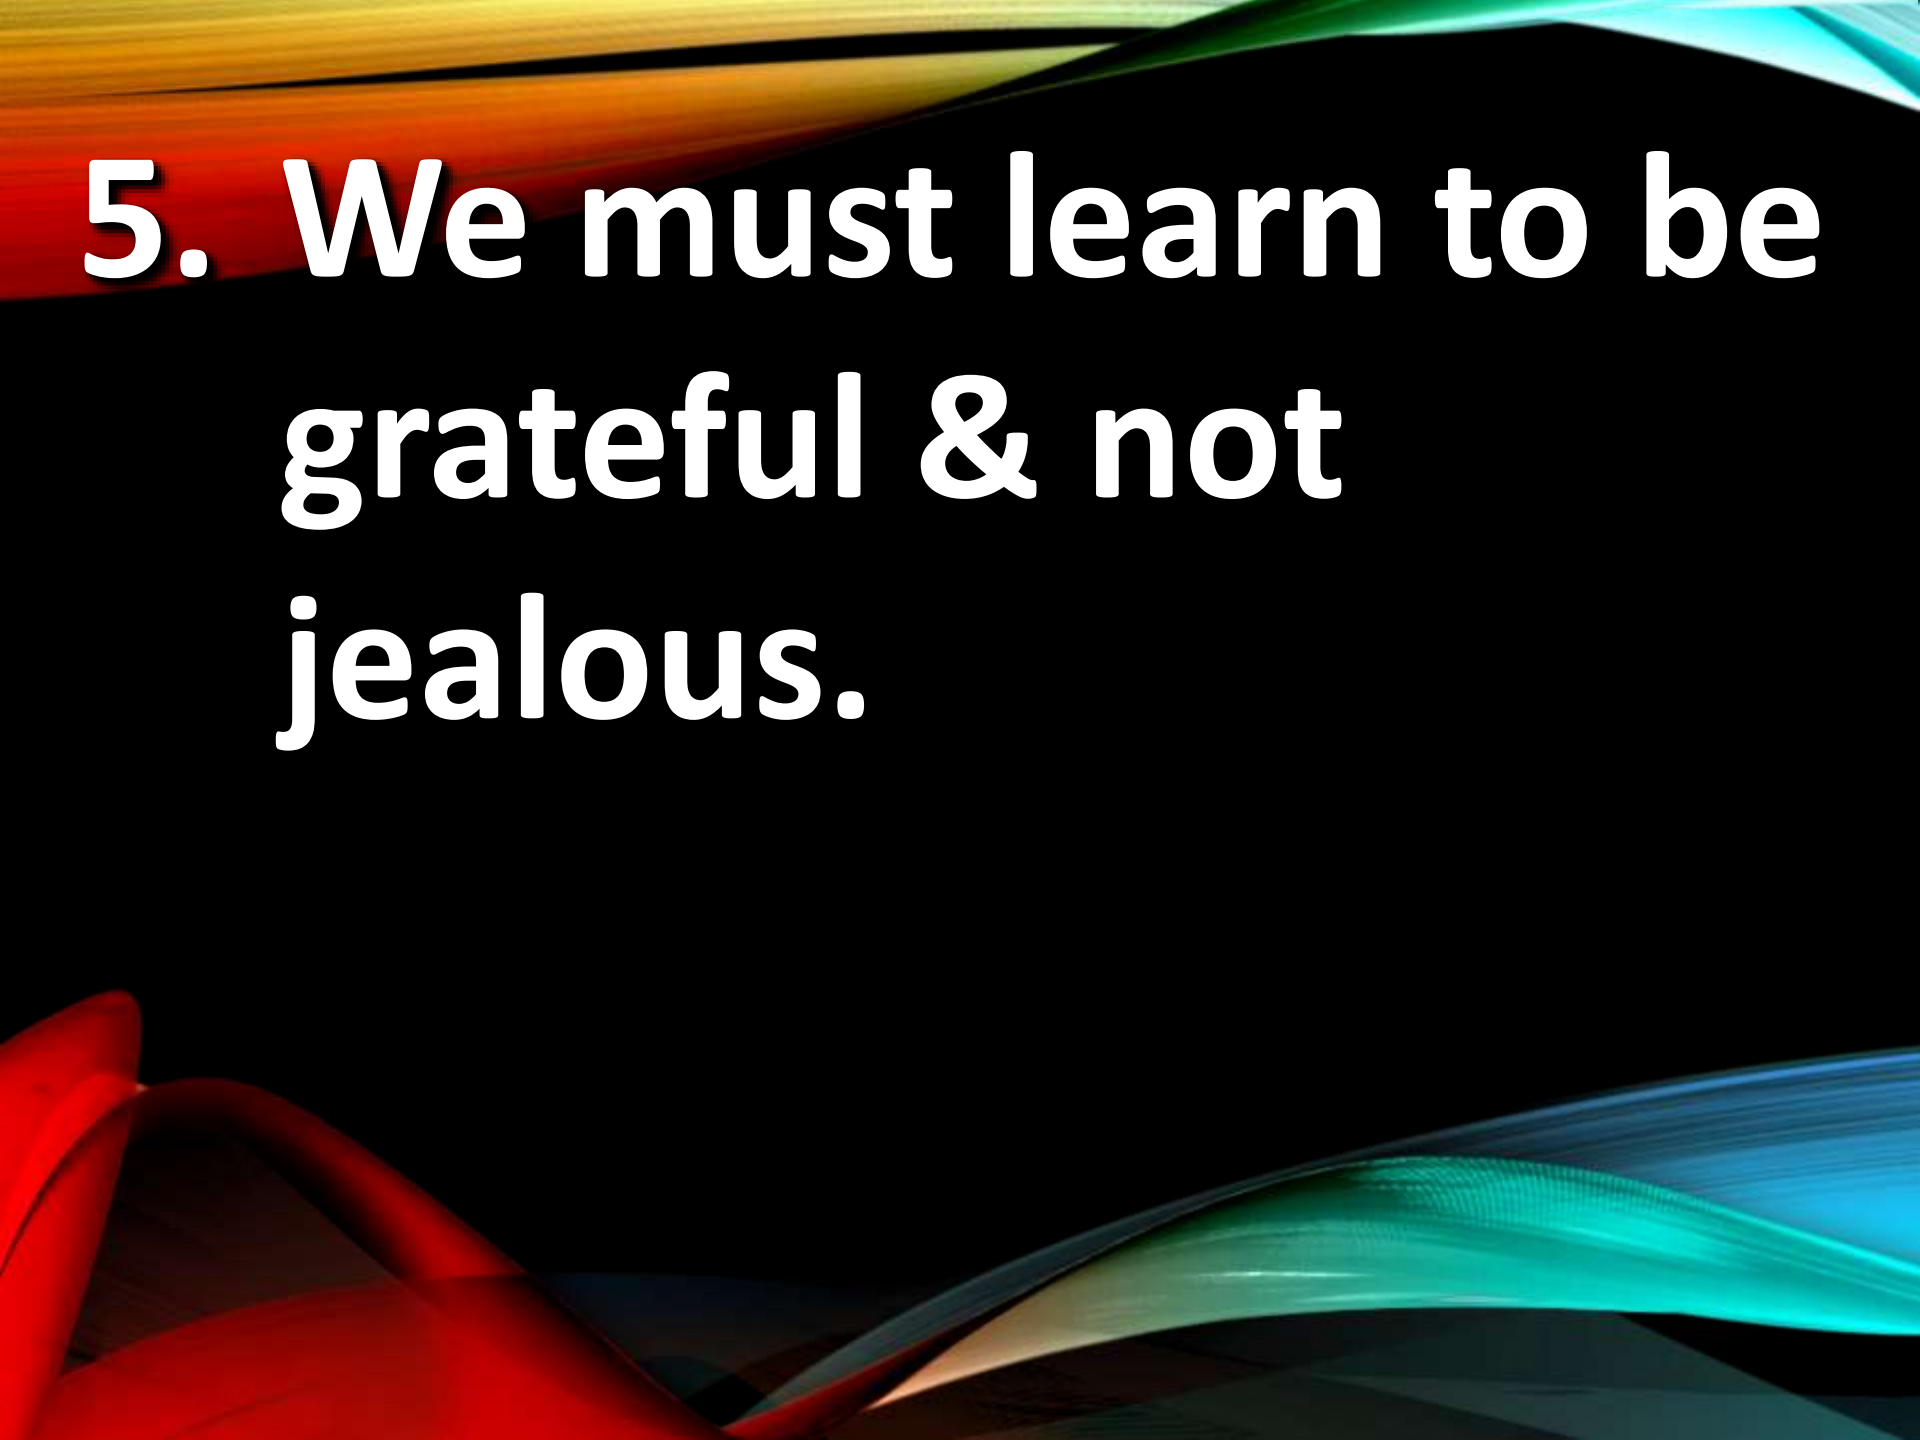

4. We must learn to be honest.

- **The faithful must deal honestly where there is the appearance of wrongdoing.**

- **Those who act honestly
find favor with God &
men.**
