A STORY OF DIVINE PROVIDENCE

A Pilgrim's Progress

Genesis 45:16-47:12

Pew Bible: Pg 39

A Pilgrim's Progress

1. Sometimes

Surprised...

at God's

providential plan!

- That God always has a plan much *better* than we could have dreamed.

- That God always keeps His promises, even when they are not according to our *timetable*.

**2. Always
sustained...**

**by the presence &
promises of God.**

- 
- ***Forgiven*** by the
blood of Christ.

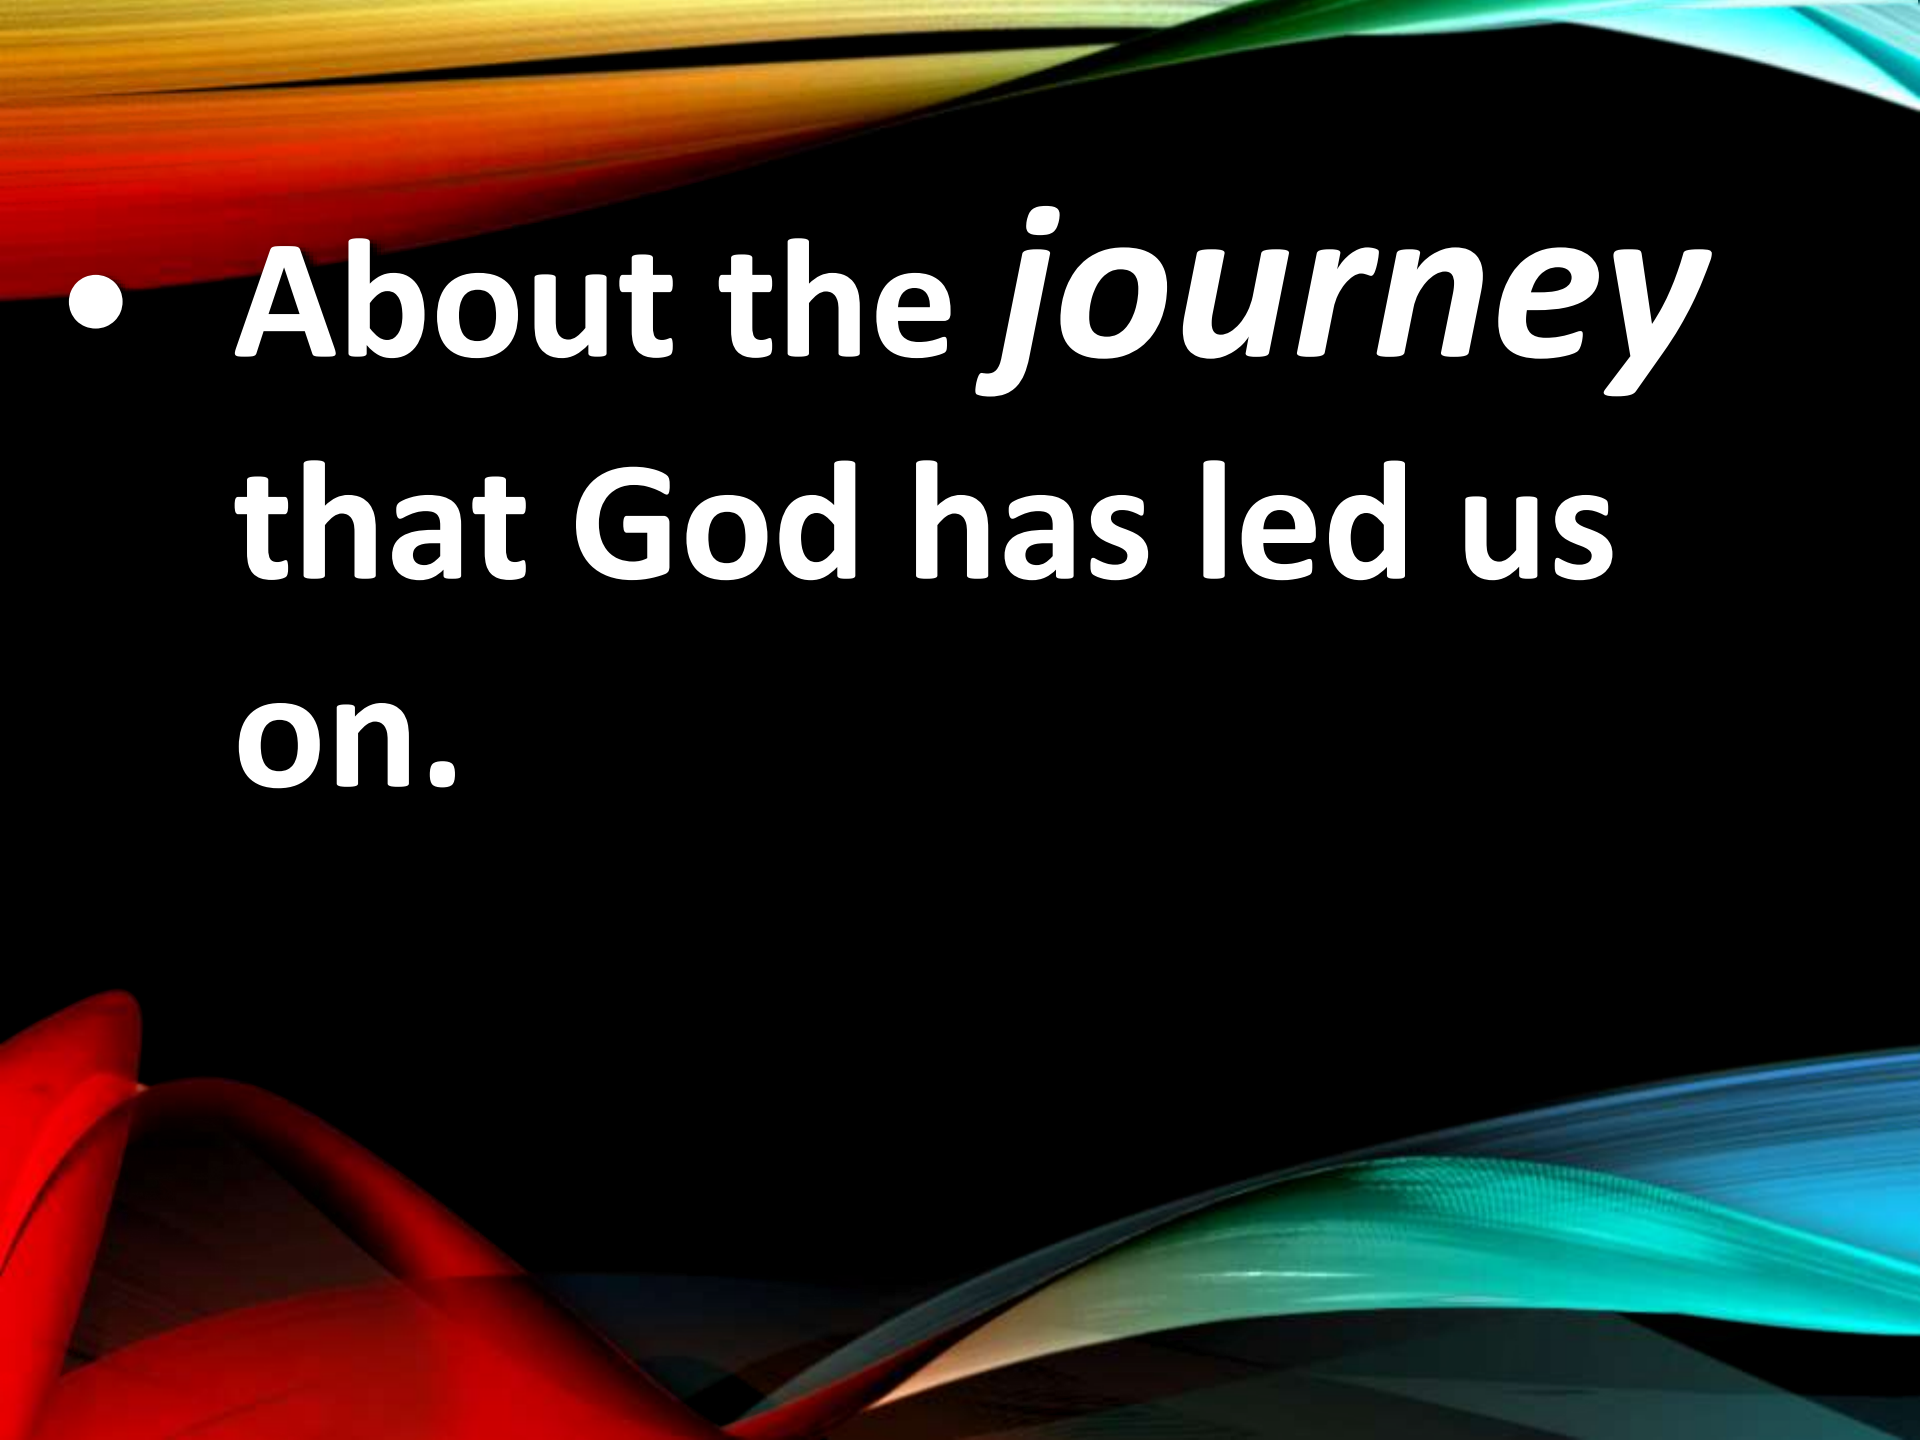

- ***Fearless*** by the guidance of God's presence.

**3. Eventually
settled...**

with God's provision.

- 
- About the *journey* that God has led us on.

- About our impending *death*.

- 
- About the eternal *blessings* God has prepared for us.
