**How does
Christmas bring
us Joy?**

Luke 2:15-20

Pew Bible: Page 857

**How does
Christmas bring
us Joy?**

**1. We must
welcome Christ.**

- **We must welcome
Him as Savior, Christ
& Lord.**

- **We must welcome
Him in haste.**

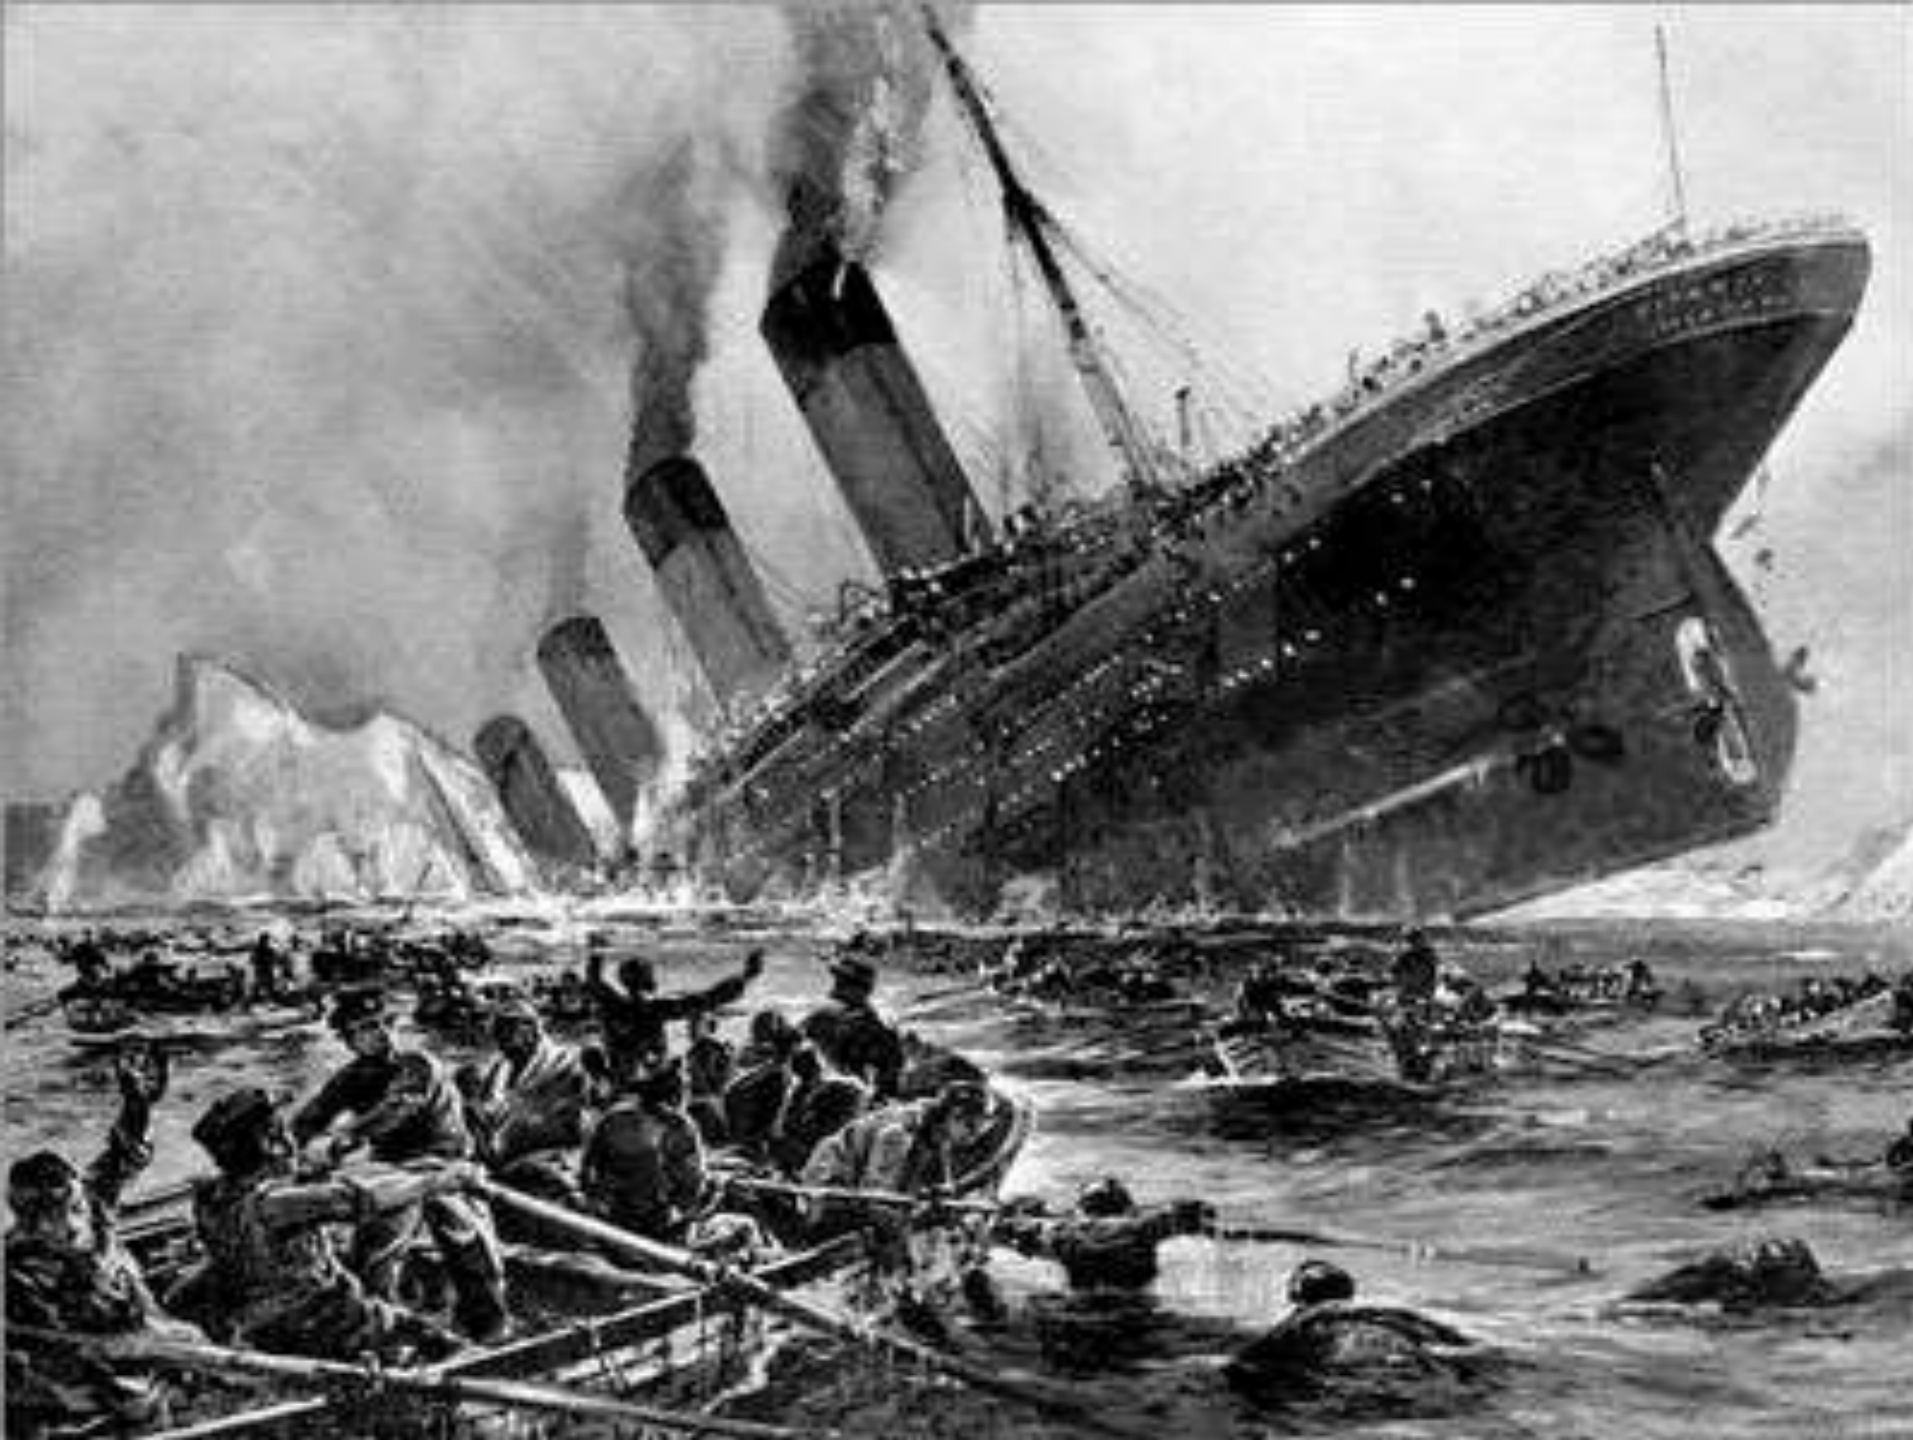

The background of the image consists of vertical wooden planks. The planks are painted a vibrant red, but the paint is heavily distressed and peeling, revealing the natural, weathered wood underneath. The lighting is somewhat uneven, with brighter areas where the red paint is more intact and darker, shadowed areas where the wood is more exposed.

**2. We must witness
for Christ.**

Pastor John Harper, 1910

**3. We must wonder
& ponder Christ!**

**4. We must worship
Christ!**
