Teaching the Teachings of Jesus

Adult Electives

“Teaching Jesus’ followers how to properly handle the word of God”

Adult Sunday School? REALLY?!?!

“Churches **kick** adult Sunday school to the curb for a host of reasons: they don’t have enough teachers; they don’t want to burden Sunday schedules; they believe it’s a relic of the past.

Basically, adult Sunday school is a **dinosaur**, right? That’s why young churches often don’t have them, and mature churches let them carry on as they’ve always done...

But wait! Do you know what you might be missing? **What if** we could use it to pack gospel-centered biblical content into our congregations? And **equip the saints** for the work of ministry? And **change** our church cultures in everything from dating, to evangelism, to knowing God’s will?” (a)

That is what we aim to do here at EBFC with our Adult Electives. We do not want to be content with a 45 minute sermon only, but want every follower of Jesus Christ to have an opportunity to **drink from the deep** refreshing well of Scripture, to get answers to questions that they have been pondering, and to learn the mature truths of the Faith, so that all may be equipped for works of service, so that the body of Christ may be built up.

(a) from January/February 2012 9marks eJournal © 9Marks. Website: www.9Marks.org.

So join us on our adventure to grow and mature together through the exciting study of the Word of God and look forward to:

1. **Knowing Scripture Better**—during the Elective hour we have the opportunity to go deeper and learn additional books of the Bible, that maybe we would avoid or push off as difficult.
2. **Asking ALL your questions**—we usually don’t have an opportunity to ask questions during the sermon, but during the Elective is a safe place to ask all kinds of questions and learn.
3. **Building relationships**—through our time together, interactions, and sharing we learn and grow together.
4. **Growing**—as we learn God’s Word, and work to apply its truth we grow in maturity.

**Education is not the
filling of a pail,
but the lighting of a fire.**

Proverbs: Be Skillful

Exp 221

Our world yearns for how-to-guides and the secret to a fulfilled life. However, no truth is man-made. The wisdom that God granted King Solomon is the same wisdom that would benefit us today — if only we would seek it.

The book of Proverbs offers principles to develop godly character daily. From the dangers of speaking without listening to the satisfaction inherent in fearing the Lord. In this class we will unpack the Scriptures in a way that will help you apply these spiritual truths to your everyday life.

1st & 2nd Peter, Jude Part 2

Exp 330

Life is hard.

There's no debating that fact. And trying to live the Christian life at times seems twice as hard. But as Christians, we can go through the struggles and come out successfully on the other side. But this can only be done with the help, power, and grace of our loving Father. Peter and Jude wrote personal letters to people who, like us, had struggles and difficulties in their lives. In these letters we find the truth necessary to live the Christian life in such a way that we can face our world and come out victorious. Join us as we study these books to learn how we too can survive in tough times.

Marriage What did you expect?

Top 205

Somehow, somehow, every marriage becomes a struggle.

Everyone's marriage morphs into something they didn't intend it to be. At some point you need something sturdier than romance. You need something deeper than shared interests and mutual attraction. You need changed expectations, you need radical commitments, and, most importantly, you need grace.

What you are realizing is that your marriage hasn't escaped the reality of sin. It's what you do next that will make all the difference in the character and quality of your marriage.

In this class you will also learn what God wants us to do next and you will be encouraged on how to have a lifestyle that will produce a healthy and strong marriage.

Evangelism

Exp 228

Who do you know who isn't saved? Where will they go if they die without Christ?

Discover how to reach them biblically and confidently in The Way of the Master Basic Training Course.

Learn to overcome your fears by using a simple, powerfully effective way to make the gospel make sense to those you care about. You will be taught how to bypass the intellect (the place of argument) and speak directly to the conscience (the place of the knowledge of right and wrong)— the way Jesus did.

Join us as we look to obey Jesus' commands to be witnesses and to share the Good News, to our families, friends, neighbors, co-workers, and others.
